## LANDSCAPE GARDENING

We are prepared to do work of this kind from the modest city lot to the largest country estate. Sometimes for convenience the work is budgeted over several seasons, each planting being done with regard to the unity of the ultimate composition.

The grounds should, generally speaking, form a framework or setting for the house, harmonizing with its architectural features.

## TERMS AND CONDITIONS OF SALE

Prices listed herein include free delivery within 10 miles of our Nursery for orders of \$50.00 and over on specified days, boxing and packing for express or freight shipment will be charged for at cost.

**Special prices** are given on large orders. Write for estimate; give list of requirements, varieties, sizes etc.

**Personal selection:** All nursery stock listed or tagged by customers in the Nursery will be charged for according to the value of the plants chosen, usually catalog prices plus 25% to 50%.

**Terms:** All accounts 30 days net cash, except on landscape or planting contracts of sufficient size, when we will extend terms, which, if desired, are a matter of agreement at time of ordering.

## NURSERY INSPECTED

OUR Nurseries are inspected once each year by an accredited representative of the State Department of Agriculture to see that no dangerous insects or plant diseases become established. A copy of the Department's Certificate of Inspection is attached to each shipment.

**Non-Warranty:** In the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree to replace that portion of the order proven untrue to name, or refund the purchase price thereof. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty, expressed or implied as to descriptions, quality, growth, productiveness, or any other matter.
